Services We Offer

Logistics Planning

We enable manufacturers and traders to easily distribute goods to multiple locations across Rwanda as well as work hand in hand with them to efficiently plan the movement of goods to and fro their facilities.

Inter-warehouse Transport

We plan and efficiently move goods/products from one warehouse to another using our network of professional truck drivers in the most cost-effective way anywhere in Rwanda.

On-demand Transport

You can request any type of truck to move goods anywhere in Rwanda and get the truck in less than 45 minutes.

Furniture Relocation

We smoothen your furniture transport by connecting you with the right truck needed to make your furniture relocation convenient.

How We Do It

We analyze each customer's transport logistics needs, and then design a convenient model to easily move the customer's goods/products from the point of dispatch to the destination conveniently anywhere in Rwanda.

Ironji-Trade Ltd is able to achieve this mission by using our network of professional truck drivers for any type of truck from pickup(hilux) truck, to fuso long truck, and big trucks of 20,25,30,50, and 70 metric tons.

After analyzing each customer's needs, Ironji team prepares a clear transport and distribution plan that Ironji team will use together hand-in-hand with our customer to transport the products using any type of truck convenient.
